

## SAGE 200: HOW TO PROVIDE FEEDBACK TO SAGE

1

### Sage 200 Ideas Portal

Sage 200 customers can now use the new **Sage 200 Ideas Portal** to send feedback directly to Sage.

You can log new ideas and search for ideas that other customers have logged and vote on ideas. You can also add comments to ideas.

New features of the **Sage 200 Ideas Portal** include:

- Better navigation
- The ability to merge similar ideas
- Improved reporting and filtering functionality

This is a snapshot of what the new Ideas Portal looks like. It is located in the **Sage Community Hub** (formerly Sage City) and you can access it here: <https://sage200uki.ideas.aha.io>

The screenshot shows the Sage 200 UKI Ideas Portal interface. On the left, there are filters for status and category. The main area displays a list of ideas with their titles, descriptions, and voting options.

Filter	Count

Vote	Idea Title	Description	Created	Author	Review Status
2	<b>Sage to enter a balancing DR or CR on Nominal Ledger Journals</b>	Presently we have to enter a balancing figure in Journals - can Sage 200 do this automatically like other accounting software I've used in the past please?	20 Nov 09:58	Claire Langford	Review Required
6	<b>Drill Down Reports</b>	It would be extremely useful if Sage 200 had Drill Down Reports out of the box in the same way that Sage 50 does. Sage 50 customers upgrading see this as lost functionality	17 Nov 12:10	Graham, Sean	Review Required
1	<b>Can the Purchase ledger and all related functions of the purchase ledger be duplicated and renamed, also linking to it's own control account i.e. LA = Leasing agreements</b>	We have numerous leasing agreements across all department, cost centres and managing these agreement via an external software. As we need to report leasing cost separately in the P&L, if each lease agreement was captured as it own account ledg...	21 Nov 11:07	Marik Tonderys	Review Required
1	<b>Fixed Asset Register - additional values</b>	Can additional asset values be added on the main Asset Detail section thus not using the Analysis fields i.e. 1) Insurance value, 2) Market / replacement value & review date, 3) Asset category, 4) Financing option i.e. Cash, HP (HP terms will ...	21 Nov 10:29	Marik Tonderys	Review Required
1	<b>Option to submit VAT return more than 12 months old from within Sage 200</b>	When Submitting a VAT Return in Sage 200 on the submit your period screen after logging on to the Government Gateway, the periods available to select from the dropdown list are limited to the last 12 months. The same restriction used to apply in S...	21 Nov 10:18	Christopher Hall	Review Required

When using Sage 200, you can easily submit feedback about the current form you are using.

Simply click on the yellow smiley face icon to access the feedback form:

**Provide Feedback**

Feedback

Many thanks for taking the time to send us your feedback. It's really important as we'll use it to help improve Sage 200.

We're only collecting the feedback that you give us here and not anything that you entered on the form.

We also don't capture any personal information about you so while we review everything, we can't reply directly.

Please tell us what you liked or didn't like about the form.

You can also receive weekly updates from the Sage 200 Ideas Portal.

The screenshot shows the Sage 200 Ideas Portal dashboard. At the top, it says 'HI!' and 'Your weekly summary of Sage 200 UKI Ideas Portal'. On the right, under 'Your activity', it shows 'You voted on 0 ideas', 'You commented on 0 ideas', and 'You submitted 0 ideas'. Below this, 'All portal activity' is shown with three boxes: '6 new ideas', '99+ new votes', and '17 new comments'. The 'Your portal highlights' section encourages joining the conversation on interesting ideas and customizing the profile. The 'Recent ideas' section has a 'View all' link and a table of ideas with their respective vote counts. The 'New comments' section also has a table of ideas with their comment counts.

IDEA	VOTES
